BRIEF ABSTRACT OF LETTER.

Subt: for orders, with his own remarks, the recommendation of the D. C. Kadur that the Anathalaya may be sanct: a grant-in-aid of Rs 36 for maintaining four more students & also the rate of interest on the endowt: raised from 5 p.c. to 6 1/4 %.

NOTES AND ORDERS.

W

An endowment of Rs 10,000 xx for the maintenance of the Anathalaya was accepted in G.O. No. 109-11/Mug 279-09 dt 9.7.1910 and the rate of interest was fixed at 4% for the time-being. A second endowment of Rs 10000 was accepted

on the same conditions as the original deposit, in G.O. No. 1066-8/Mis 200-11-2 of 9-11-1911; and rules for the management of the institution were also framed in the same order —

2 The interest at 4% on Rs 20,000 amounts to Rs 800 per annum and it was ~~stipulated~~ intended to maintain 12 students (6 Brahmins & 6 Vaisyas) out of this income —

3 Under G.O. No. H 4002-54/57, 7 36 18. dt 8-1-20, interest is stated to be paid at 5% p.c. —

4 It is represented that owing to high prices of food-grains, only 8 students are being maintained now and that to maintain 4 more students, in accordance with the intention of the Donor, interest at 6 1/4 % may be paid and also a grant-in-aid sanctd. —

5 While the D.C. puts the case for sympathetic consideration, the M.C. is not in favour of recommending it, ~~for the reason~~ as he says that private philanthrophy is available in adequate degree in respect of the institution; it is pointed that there is ~~in the case of~~ Vysya & Brahmans for whom intended.

b The interest at 5% not being paid is itself an unsanctioned interest and payt. at 6¼% seems to be out of question and also outside the Rules.

7 As regards grant-in-aid, the matter may, perhaps, be referred to the Director of Public Instruction under the new Rules.

Letter No. AF.396?-26 dated 3rd February 1 23 from the eputy Commissioner Kadur District to the Muzrai Commissioner In Mysore, Pangalore.

Regarding the petition presented by the Committee members of the Pirur Sree Manjanatha Annathalaya to the Dewan Saheb for the ---- enhancement of interest on the donation of Rs. 20,000/- and also Grant-in-aid to be sanctioned by Government for the Institution.

"ith reference to your letter No. C. 1473/26-27 dated 31st March 1927 on the above subject, I have the honor to forward herewith the entire records ending with Tarikere S.D.O's No. S. 1-117-27 dated 18th January 1928.

The Institution was founded in 1911 by Sahukar Mr. Kharidi Govindappa with the object of providing boarding, lodging and clothing to deserving Six Brahmins and Six Vaisya Students prosecuting studies in the Government A.V.School of Pirur. He offered a decent building and a donation of Rs. 20,000/- . The interest earned on the donation is being utilized for the unkeep of the Institution.

The Institution is said to be working well and the accounts are properly maintained. It is reported that owing to the present high cost of living, the Institution cannot accomodate 12 students as per wishes of the donor. Only 8 students are now being maintained,. No. Government grant has been sanctioned to the Institution till now.

The Committee in their resolution dated 4th December 1927 (Flag A) have resolved that 4 more students are to be accomodated as per the wish of the donor and an extra expenditure of Rs. 36/- per month would be required for the same. They further propose to impart technical Education to the students as per Government order No D. 141-5/Edn 35-26-11 dated 4th August 1927. They accordingly pray for the enhancement of interest on the donation from 5 to 6¼ % and a Government grant so as to enable students to be instructed in Industrial and Technical matters.

I recommend that the prayer of the Committee may be viewed ----- sympathetically.

Government Order No. 4557-8—Edn. 188-19-19, dated the 29th May 1922, sanctioning the revised rules for giving grants-in-aid to Educational Institutions.

2. Letter No. 96, dated the 7th June 1926, from the Secretary, Economic Conference, forwarding for information and necessary action copy of the Resolution adopted by the Board of Education on the subject of the protection and education of destitute children.

3. Correspondence ending with letter No. Hc. 245—26-27, dated the 16th May 1927, from the Inspector-General of Education, submitting his views in connection with the draft rules to be incorporated in the Educational Grant-in-aid Code for grants to Orphanages and Asylums for destitute children.

ORDER No. D. 1451-5— EDN. 35-26-11, DATED 4TH AUGUST 1927.

The present arrangement under which grants-in-aid are being sanctioned from Muzrai Funds for Orphanages, which are mostly Boarding Homes for Orphans attending school, is not satisfactory. The Muzrai Department has no agency to periodically supervise the working of those institutions and the utilisation of grants is practically left to the management of such institutions. As the grants are for institutions which are really hostels for boys at school, any subvention allowed to them should be properly shown in the Education Budget.

2. As no rules have been framed to regulate the scale of grant for orphanages, the opinion of the Inspector-General of Education was invited on a set of draft rules and the rules as finally approved are appended to this order.

3. These "Rules regarding the Management of, and the sanction of grants to Anathalayas, Orphanages and Asylums" will, as directed, be incorporated in the Mysore Educational Grant-in-aid Code published under Government Order No. 4557-8—Edn. 188-19-19, dated the 29th May 1922.

4. The Orphanages and Asylums now in receipt of Government support will also be brought within the operation of these rules.
